Are you a Nervous Patient

Here at Hook lane we understand how dental phobia can affect you.

We offer sedation to relieve anxiety and hopefully put you at ease during your treatment.

Our sedation is administered Intravenously and can be used for long complex treatment.

Evening and Saturday appointments

To help our patients who struggle to fit their dental appointments in during their working hours we offer Saturdays and some evening appointments on a private basis.

0 % Interest Free Credit

We are able to offer you the option to spread the cost of treatment interest free.

Treatment for lines and wrinkles

Please call for a Free consultation.
